1           MR. LENT: I would like to read my questions into  
2 the record.  
3           THE FACILITATOR: Certainly, certainly. That's  
4 fine.

5 MR. LENT: Thank you once again. Ervin Lent. I  
6 would like to read the prior questions during the question  
7 period into the record to adequately address the comments  
8 that I made previously.

1 9 My question No. 1 was: [Has DOE established  
10 the number of tribal governments affected by this site?  
11 No. 2: How many tribal governments have participated in an  
12 advisory capacity to the proposed repository? No. 3: How  
13 many tribal governments oppose or approve of this site?  
14 No. 4: How many tribal governments have been recognized  
15 as other than affective units of local governments?  
16 No. 5: How many tribes has the DOE established memorandums  
17 of understandings with regarding all future projected  
18 impacts resulting from the site being approved or  
19 disapproved?] [

20 I would like to read -- like to say that all  
21 five questions resulted in a referral to -- is it Ms.  
22 Jozette Booth?

23 MR. SKIPPER: That's correct.

24 MR. LENT: And her title Native American  
25 Coordinator with the DOE, because there was no answers for

1 the questions as asked at this time.

2 Thank you.

3 MR. SKIPPER: Thank you.

4 THE FACILITATOR: Other questions or comments?

5 Yes.
